Junior Primary
(Gr R - 3)

RECYCLING

Recycling means taking something old and turning it into something new, through a mechanical or chemical process.

PACKA-KIDS recycle because it can save the planet from running out of energy and resources.

Why should we collect and RECYCLE?

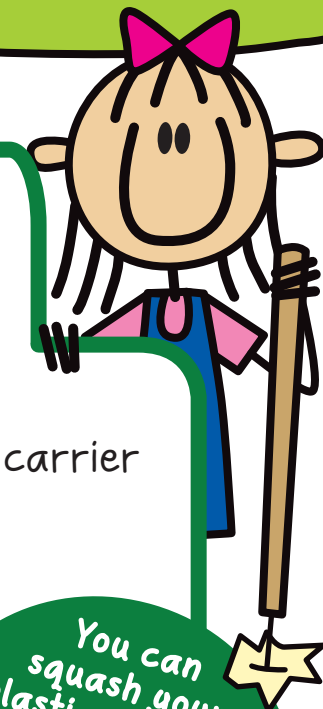

- It reduces litter
- It reduces pollution in the air
- It saves energy
- It looks after nature
- It leaves the planet a better place
- Used packaging has value

Colour in the word.

HOW TO RECYCLE

- 1 Make sure the product can be recycled.
- 2 Rinse your recyclable packaging in used water (fresh water is wasteful).
- 3 Allow it to drip dry.
- 4 Place the clean recyclable packaging in a carrier bag, separate from your normal waste.
- 5 Make sure to separate your different materials into different bags.
- 6 Participate in the nearest PACKA-CHING in your neighbourhood.

You can squash your plastic and cans to make them a lot smaller so you can fit far more in your bag!

What can we RECYCLE?

PLASTIC

In South Africa we can recycle a lot of different types of plastics, but not all of them. When we recycle plastic mechanically or chemically, it can be made into new things.

Plastic that we CAN recycle:

- Plastic bottles
- Plastic bags
- Plastic buckets
- Plastic trays / tubs (not ♻️)
- Foam / polystyrene packaging

Plastic that we CANNOT recycle:

- Chip packets
- Sweet wrappers
- Washing powder bags
- Sauce sachets
- Dirty clamshell packaging

GLASS

Glass that we CAN recycle:

- Beer bottles
- Clear drinking glasses
- Wine and alcohol bottles
- Food and sauce bottles and jars
- Cool drink, juice and water bottles

Glass that we CANNOT recycle:

- Mirrors and windscreen glass
- Crystal drinking glasses and tumblers
- Ceramic cups and plates
- Window pane glass
- Clay flower pots
- Light bulbs
- Crystal
- Heat-resistant ovenware

PAPER

Paper that we CAN recycle:

- ➔ Cardboard of any kind (dry food, cosmetic & medicine boxes, toilet roll cores)
- ➔ Liquid packaging (milk and juice)
- ➔ Office paper
- ➔ Magazines and brochures (including glossy kinds)
- ➔ Newspapers
- ➔ Envelopes

Paper that we CANNOT recycle:

- Dirty paper plates
- Wet or dirty paper or cardboard
- Disposable nappies
- Tissues, toilet paper and paper towels
- Dog food bags
- Wax-coated or foil-lined boxes
- Used cement bags
- Carbon paper

CANS

STEEL and ALUMINIUM cans MUST be separated.

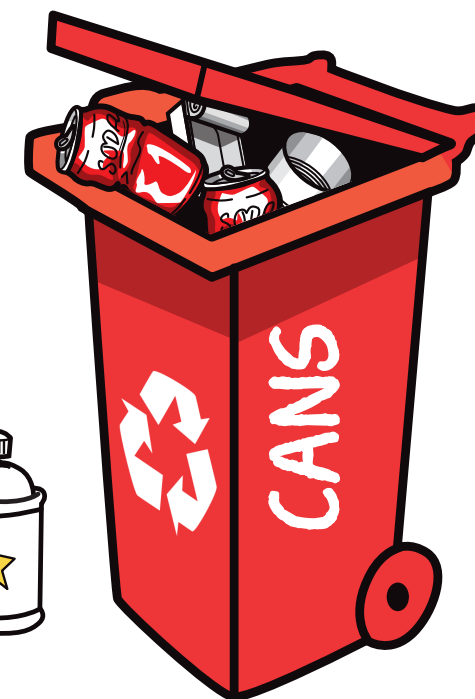

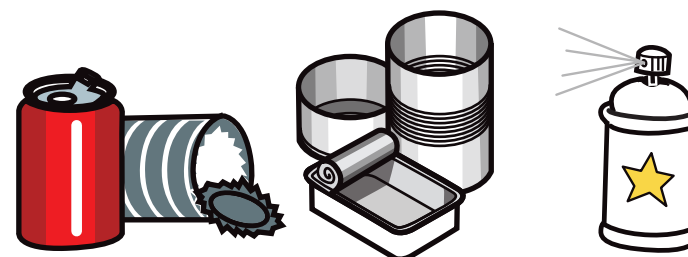

PLEASE USE YOUR MAGNET TO CHECK WHICH CANS ARE ALUMINIUM AND WHICH ARE STEEL. Remember, the magnet will stick to the steel cans. Once you know which is which, you must separate them.

Cans that we CAN recycle:

ALUMINIUM AND STEEL CANS:

- ➔ Beverage cans
- ➔ Food cans
- ➔ Aerosol cans

Reduce, Reuse, Recycle ...

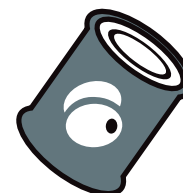

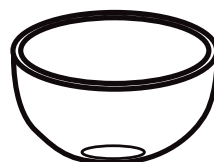

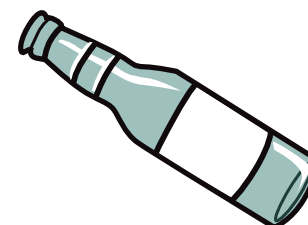

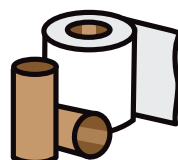

PLEASE reduce, recycle, reuse, you can help the earth if you choose. Recycle plastic, glass and cans, reduce the rubbish on your lands!

Recycle Match-Up

Look at all of these items on the pages. Each of them has to be recycled.
Draw a line from the item to the correct recycling bin.

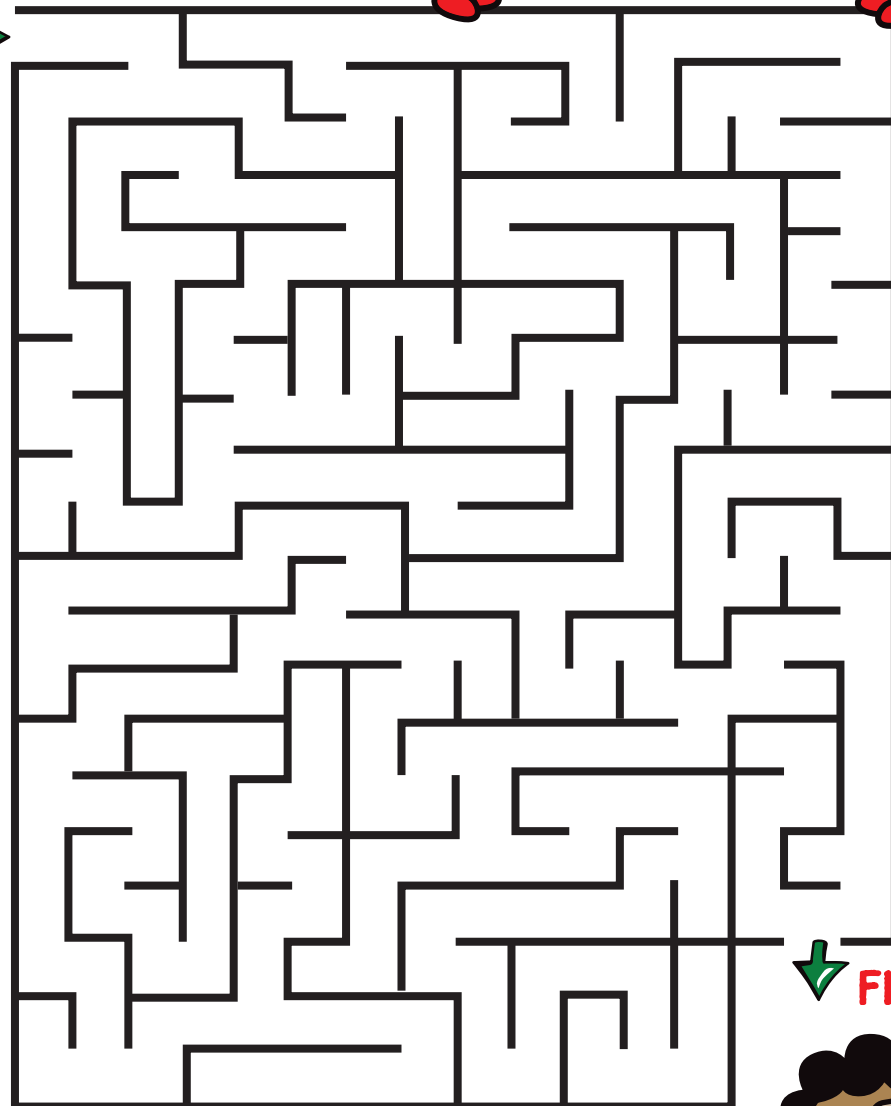

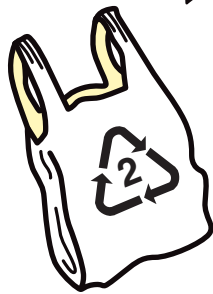

MAZE

Help the **PACKA-KIDS** find their way to the plastic recycling bin!

PACKA-CHING

MAKE MONEY FROM RECYCLING

All PACKA-KIDS need
to tell their family about
PACKA-CHING!

This is for **YOU** and
your **COMMUNITY ...**

HOW PACKA-CHING WORKS:

1. Find our nearest Packa-Ching Mobile, Pop-up or Static unit.
2. Your family members bring in bags of separated recyclable materials.
3. The recyclable materials will then be weighed and loaded into bulk bags.
4. The money for the materials, is paid to the customer's cellphone. The customer will receive an SMS to confirm the amount earned.
5. The funds are immediately available to spend at any participating merchant, such as Shoprite, Checkers, uSave, Pick 'n Pay, Clicks, Dischem stores, or to purchase airtime, withdraw cash or transfer to anyone in South Africa.

PACKA-KIDS
get everyone involved

EARN MONEY!

Start collecting and recycle.

Tell your family to go
to Packa-Ching and
help them to collect
recyclable material
to earn.
